PRICE THREE CENTS

THREE BURNED AT STAKE

NOT POSITIVE IN IDENTIFICATION

Canton Bandit Resembles Lima Robber, Miss Hurt Says.

FINGER PRINTS RELIED ON

Wounded Gunmen Are Not Expected to Recover.

Chief of Police Thomas A. Lanker, and Miss Pauline Hurt, the latter an employee of the Lima Dime Savings Bank, expressed the opinion upon their return from Canton Saturday that the body of Eddie Stephenson, 32, of Cleveland, is that of the bandit who entered and robbed the bank here Tuesday, while his companions waited outside.

Shoe prints made by the bandit on the glass ledge of the cashier's window tallied with the soles of the dead man's shoes.

"His face looked the same to me as that of the man who was in the bank Tuesday," declared Miss Hurt Saturday. "The shape of the face was the same and his clothing was about the same as the man wore."

RELI ON FINGER PRINTS

Positive identification will depend on the finger prints of the dead man. The prints were taken by Canton police Friday, and it will require sometime to develop them, Lanker said.

"We were able to check up pretty well," Lanker declared. "The heel prints on the glass seem to have been made with the dead man's shoes."

Canton police were of the opinion that the identification was sufficiently positive to fasten the Dime Savings Bank robbery on the gang. There is no way of connecting George Brainer and Andrew Kippler, alias "Dutch" Hartman with the Lima robbery. Lanker believes even if the men were identified as part of the gang here Tuesday, they

GIRLS' IMPRISONMENT PROBED BY SHERIFF

BUCKEYUS — Sheriff Edward J. Knappenberger of Crawford co today, continued his investigation into the imprisonment of Miss Irene Menges, 20, released yesterday after confinement of at least two years in an abandoned iron sheeted smokehouse on the farm of her father, Jacob P. Menges, near Crestline.

Prediction that developments of a startling nature will be forthcoming today was made by Sheriff Knappenberger, who with Marshal Charles Crawford of Crestline, arrested Menges after they liberated the girl from her prison.

FLOOD IS NEARING NEW ORLEANS

City Menaced by Latest Break In Levee

NEW ORLEANS — (Associated Press) — Flood waters from the break in the levee at Poydras, twelve miles south of here, approached New Orleans today, having reached the swamps near Chalmette National cemetery.

Three hundred of the flood victims driven from their homes by the Poydras crevasse and given refuge at Jackson barracks here have been employed by several plantation owners in sections of the state not affected by the river's rampage. Their withdrawal from the camp, it was said made room for an equal number of new arrivals, since the reservation can accommodate only 1,000 refugees.

A zoning system for feeding about 7,000 persons who have clung to their homes in the section flooded thru the crevasse near Ferriday, and between 4,000 and 5,000 in the Black river area, was being put into effect today by national guard units under command of Adjutant General G. L. Toombs of Louisiana, at the direction of Governor Parker.

BIG SHRINKAGE IN UNEMPLOYMENT

Industrial Awakening Sweeping Country, Secretary Davis Says

FARMERS ARE OPTIMISTIC

Activity in Building and Other Lines Shown

WASHINGTON — (Associated Press) — Employment conditions in the United States demonstrate that there is "widespread industrial awakening extending from coast to coast," Secretary of Labor Davis declared today, commenting upon investigations and reports made by the federal employment service. Although there are a few dark spots in which considerable unemployment is yet reported, Mr. Davis added, the entire country can be said to have come out of the depression.

"The farm situation is decidedly encouraging," Mr. Davis said. "The demand for farm help from all sections of the country is indicative of the optimistic attitude of the farmer. As there are 6,448,000 farms in the country, they will absorb a tremendous amount of labor."

"New York state reports a great decrease in unemployment. There is a revival of business in the New England states, notwithstanding the suspension in textiles. I am pleased to advise that reports coming from New Jersey state that building and contract operations are now in full swing. They are encouraging outside workers to come to their state, especially in the building lines."

"Ohio reports increased activity along all lines. Pennsylvania is showing a decided improvement in industry."

"There has been a large absorption of labor in Baltimore, Md. Great building activity is going on at that point. Kentucky has not shown much change in activity in the past month."

DEMOCRATIC LEADERS AGAIN IN CONFERENCE

COLUMBUS — Tentative candidates of George White, of Marietta, former chairman of the Democratic national committee, and T. J. Duffy, of the state industrial commission for the Democratic nomination for governor, are to be discussed at a conference here today at which E. H. Moore, of Youngstown, former national committeeman, is expected to act as arbiter.

It was said that either White or Duffy may decide to enter the contest or the field may be left clear for A. V. Donahay, former state auditor, the only Democrat who so far has declared his candidacy.

WIFE NO. 1 SUES FOR \$500,000

Alienation of Affection Charged in Wells Case.

WARREN, Ohio — (Associated Press) — Stasia Welch Wells, of Youngstown, first wife of Thomas Wells, the "millionaire sergeant," and said to be the only man in the United States who has two legal wives, filed a suit here today asking \$500,000 damages against Mr. and Mrs. Richard Garlick, of Youngstown, charging alienation of affections. Mrs. Garlick is a sister of Wells. Mr. Garlick was treasurer of the Youngstown Sheet and Tube Company, until three months ago, when he resigned on account of ill health.

Stasia Wells charges that Mr. and Mrs. Garlick did everything in their power to break up the marriage of the "millionaire sergeant" to the former manicurist, Stasia. Wells was granted a divorce last year from Stasia on the grounds of adultery. The appellate court reversed the decision, but meanwhile Wells had married a woman who nursed him in a New York sanitarium. The case is now awaiting decision by the Ohio supreme court, where it was argued recently.

CHINA'S CIVIL WAR BELIEVED ENDED

Wu Recognized by Peking as Military Master

SWEEPING CHANGES MADE

Defeated Warriors Are Ousted from Office

PEKING — (Associated Press) — China's civil war appears to have ended with the flight of General Chang Tso-Lin toward Mukden and the recognition by the Peking government of General Wu Pei-Fu as master of the military situation.

Chang Tso-Lin, who brought 100,000 troops south of the great wall is believed to have abandoned any idea of offering organized resistance. His flight was hurried. He had proceeded to Loaf along the Peking-Tien Tsin, railway with a view to directing operations around the capital when he learned of the defeat there and fled, leaving his disorganized troops to follow as best they could.

SWEEPING CHANGES

Sweeping governmental changes followed today the success of General Wu Pei-Fu in winning the military mastery at Peking.

President Hsu Shih-Chang issued a mandate dismissing Premier Liang Shih-Yi and ordering his arrest.

Finance Minister Chang Hu and Minister of Communications Yeh Kung-Cho also were dismissed and their arrest was ordered.

General Chang Tso-Lin, the Manchurian leader, defeated by Wu in the campaign just ended, is dismissed from his office of inspector general of Manchuria.

Premier Liang Shih-Yi, who is now in Tien Tsin, where he has been on leave for several months, is charged with conspiring with Chang Tso-Lin to promote civil war.

BABY FOUND IN SACK. MOTHER IS ARRESTED

COLUMBUS — Mrs. Bernard McElwee was held by police today, following discovery of her infant son sewed up in a burlap sack abandoned along a railroad track.

The baby, seven hours old when found, was discovered by a dog which dragged the sack to some boys playing near. The boys, frightened by the homs from the sack, carried it to a nearby house where the child was released.

Mrs. McElwee, who has been divorced since last August, told police that she wished to hide traces of the child's birth.

FORMER OFFICER SHOT TO DEATH

Noted Gunman of Oklahoma Slain by Texas Chief

WICHITA FALLS, Texas — (Associated Press) — J. W. McCormick, chief of police here, less than a month today, was the cynosure of all eyes, for yesterday he matched speed on the draw with D. M. (Bud) Ballew, one of the few remaining typical old time peace officers of the southwest, a man with at least eight notches on his gun and known for his adroit handling of a six shooter, just as he repeatedly had predicted he would. Ballew's old style single action .45 was only half drawn from its holster when his body fell with five steel jacketed bullets fired from a newer model arm by a man trained for years in the Texas rangers.

Ballew, until a few weeks ago a deputy sheriff of Carter co, Oklahoma, gun fighter extraordinary and in private life a wealthy stockman, came to Wichita Falls to act as judge in the annual Southwestern roundup.

Word came to the chief that Ballew was drinking and might start trouble. The officer went to a soft drink parlor, observed Ballew, and tapping him on the shoulder, charged him with drunkenness and demanded he hand over his pistol.

TRIO ACCUSED OF GIRL'S MURDER

Negroes Cremated by Mob in Heart of Texas Town

BODIES LEFT IN FLAMES

Young Woman Assaulted, Stabbed 23 Times with Knife

KIRVIN, Texas — (Associated Press) — Three negroes were burned to death at the same stake at five o'clock this morning by a mob of 500 men following their alleged implication in the criminal assault and murder of 17-year-old Eula Amsley, white girl, whose mutilated body was found near here Thursday night.

"Snip" Curry, the first negro burned, was taken from the custody of Freestone co officers early last night as he was being conveyed from Wortham to some point near here. It is alleged that he confessed to the mob that he had assaulted and murdered the girl and that in his confession he implicated the two other negroes, J. H. Varney and Jesse Jones.

JAIL KEYS TAKEN

The mob divested the sheriff of his keys to the Freestone co jail where Jones and Varney were being held as suspects. Hurrying to the jail the mob unlocked the doors and took the two negroes in charge.

All three negroes were then rushed to Kirvin, the home of the dead girl, and an iron stake driven in the ground on a small square in the heart of the town. Wood was accumulated and saturated with oil.

Curry was burned first. Then Varney and Jones. There was some delay in burning the last two inasmuch as they steadfastly maintained their innocence. Third degree methods failed to bring a confession from them and they were finally

5 GOOD REASONS Why You Should Buy DAYTON TIRES AND TUBES

No. 1 Quality comes first in the building of Dayton tires and tubes. From head to tread only the best materials that can be bought are used in Dayton construction. Just try to puncture a Dayton tire. It is so tough that it comes as near being puncture-proof as any fabric or cord tire could be. That's why the popularity of Dayton tires is spreading like wild fire all over the United States. That's why so many motorists in Lima and vicinity are using Dayton's exclusively. Count them.

No. 2 You can depend on a Dayton tire to give maximum service. Why? Because the manufacturer of Dayton tires feels an individual responsibility to every single user of his products. The Dayton tire YOU buy receives as much care in its making, in the selection of quality materials, and in the expert workmanship, as though that very tire were a special order for you only.

It is this responsibility of the Dayton Manufacturing Company that gives us unlimited confidence in Dayton tires and tubes. That's why we stand back of every Dayton tire we sell, that's why we have no hesitancy in recommending them to YOU. Count them!

No. 3 What happens after the last mile? Have you been thoroughly satisfied with your tires?

Our service to you means that, above everything else, you must be satisfied AFTER that last mile.

Remember these facts in buying your next tire, that we make all adjustments on Dayton tires right here in our own store immediately. No red tape and no delay.

We maintain a free service department and our Service Car will call any time without extra charge. Competent men are in charge.

Call, phone or write for any further information desired. We would suggest, however, that you come in and inspect Dayton tires.

No. 4 After all, it's miles you're after. Dayton Thorobreds and fabrics will give you honest-to-goodness miles. The miles are built right into the tire.

Did you see the big 35x5 Thorobred cords on exhibition in our window? These tires were driven more than 10,000 MILES on a large Packard touring car over all kinds of roads. They look good for another 10,000 miles. Come and see for yourself. We could cite you many similar instances of Dayton Mileage Service.

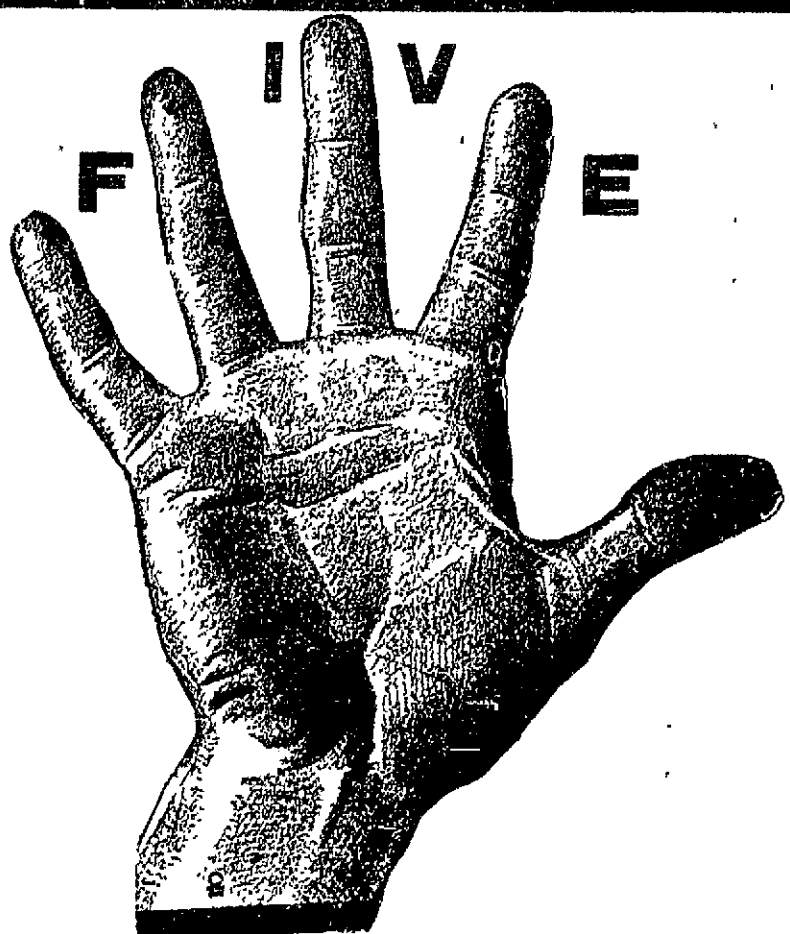

No. 5 Dayton tires are made by tire experts, men who have been seasoned by years of tire manufacturing experience, and over all is a careful scrutiny of every operation in the building of a Dayton tire.

Other tire factories may make more tires per day, but Dayton manufacturers are content to MAKE A GOOD TIRE. Regardless of time consumed, every Dayton tire must be made right; it must bear the closest inspection; pass muster as A1 before it is permitted to leave the factory.

Visit the Dayton factory and you will find contented workmen, men who take a pride in their work because they know good work is appreciated. Next time, try a Dayton tire. Compare its wearing qualities with that tire on the opposite wheel.

After All It's Miles
You're After

EBLING

The Dayton

Guarantee!

We guarantee all Pneumatic Automobile Tires bearing our name and serial number to be free from imperfection in material and workmanship. Tires returned for consideration under this guarantee will be accepted and adjusted at once. If, upon examination, it is our judgment that tires are defective they will be repaired or replaced at our option.

When tires are replaced by us, charges will be made to owners at the time new tires are delivered, for such amounts as in our judgment will compensate for the service rendered by such replaced tires.

Tires worn out in usual or unusual service abused knowingly or unknowingly, misused or used on other than standard rims, injured through accident or design, are not covered by this guarantee.

All necessary adjustments on Dayton Tires under the above guarantee, will be made on the basis of.

STOCKHOLDER IS PUBLIC'S FRIEND

Supplies Capital For Nearly All Great Enterprises

BRINGS ABOUT COMFORTS

His Status Described in Argument for Saving

(By B. C. FORBES)

NEW YORK—(Special)—Just between ourselves, aren't we a little bit inclined to fight shy of the person who has a cent to his name? We have the feeling—bred by experience—that at any moment he is likely to try to make a "touch."

We don't have this same attitude, this same feeling, towards the person we know has handled his money prudently and has succeeded in accumulating a respectable reserve against a rainy day, do we?

There isn't one of us, is there, who doesn't believe in the value of saving money? You have never known anyone, have you, who regretted having saved money?

In short, saving is universally regarded as a virtue.

We all agree so far, don't we? All right.

What happens to savings? What should happen to savings?

What is the best thing to do with savings?

I think we can all agree on this point also: Savings should be put to use, shouldn't they? They should be deposited in the savings bank or in some other bank, or invested in bonds or mortgages or stocks or some other security, shouldn't they?

At least we all agree that the thing not to do is to hide the savings around the house or anywhere else where they lie idle and useless and unproductive.

Now, where money is deposited in the savings bank or invested directly in securities, the saver of the money, the owner of the money becomes, in reality, a security owner.

Neither savings banks nor any other financial institutions can pay interest on deposits by leaving these deposits lying locked up in their safes or deposit vaults. In order to earn interest or dividends, money must be put to work, must be rented out, must be invested.

This is still beyond dispute, isn't it?

But now a strange thing happens. While everybody applauds saving and the useful employment of savings, a great many people, not a few politicians, some newspapers and numerous orators damn the savers when they, by employing their savings, become bondholders or stockholders. Saving is a virtue, but to put these savings to work, so that they can earn interest or dividends, becomes a questionable even a condemnable procedure! The saver is an angel; the investor a sort of crook, a target to be shot at!

Queer, isn't it? Yet we all know that it is so.

Let us go one step further and ask where we would be if there were not any "unproductive stockholders" as Henry Ford sneeringly describes security holders—other critics sometimes call them "idle stockholders," "reapers who do not sow," and so forth?

Who made Henry Ford's own automobile company possible?

The stockholders who originally advanced money to him. Who makes it possible for you and me to be carried to and from business by train or street car? Stockholders. Who made it possible for farmers to obtain reapers and binders and tractors to relieve them of the hardest work of the farm? Stockholders. Who made our vast telephone and telegraph service possible? Stockholders. Who made it possible for

SHOWERS, COOLER SUNDAY PROSPECT

Cooler conditions Saturday enabled Ted to get a little more joy out of life. He has not altogether shed his winter fur, since coming out of hibernation.

Showers tonight and probably Sunday morning is the forecast.

Cooler conditions are to prevail Sunday, according to predictions.

Plans for Sunday auto tours are going ahead un-

interruptedly, despite predictions of rain.

Most motorists usually are not alarmists. They have faith in fair weather prospects until rain actually sets in and even then in their optimism they believe it won't continue long.

Gardens are getting a good start now and fruit tree buds are settling down to the task of development as rapidly as weather conditions will permit.

us to buy ready-made clothing, shoes, watches and a thousand other things, at relatively low cost? Stockholders. Who has made it possible for us to press a button and flood our homes with light? Stockholders.

All material progress springs from the saving of money by someone. A nation's resources cannot be developed without capital. The stockholder is the one who supplies the capital for practically every great enterprise in this country. One may

organizations of mankind are now the exception rather than the rule. We are indebted to stockholders for almost every modern comfort, convenience and luxury of life. The stockholder is among the nation's greatest benefactors. He is to be encouraged, not discouraged. It is he who makes it possible to provide work for millions. He is in reality the best friend of the laboring man who ever had, not his enemy.

Let these simple, basic facts sink in.

(Copyright, 1922)

"PEG O' MY HEART" WELL PRESENTED BY JUNIORS OF CENTRAL HIGH SCHOOL

One of the most successful and entertaining plays ever presented in the Central high school auditorium was that of Friday evening when the Junior class gave J. Hartley Manner's over popular three act comedy, "Peg O' My Heart."

The play is a comedy of youth and is filled with Irish wit and humor, as well as sentiment and pathos.

Helen Hughes as the mischievous and whimsical "Peg" was charming, her acting splendid and her Irish accent perfect. Jeanette Stuart portrayed the part of the haughty and dignified Mrs. Chichester in true characteristic fashion as did Dorothy Lawson as Ethel, the stately and proud daughter of Mrs. Chichester.

The character of Jerry, who was successful in winning the heart of the independent "Peg," was very well taken by Dale Johnson, as was the role of Alaric, the highly educated and polished Englishman essayed by Sheldon Ackerman. Alfred Dexter as Jarvis; Russell Mericles as Montague Hawkes; Robert Few as Christian Brent and Alice Pratt as Bennett carried their parts faultlessly.

Miss Zella Foster was the director of the interesting entertainment, with Miss Helen Craig as her assistant.

BURIAL OF MRS. SUTER TO BE AT MEFFLIN, PA.

Funeral services for Mrs. Alice Suter, 55, wife of J. M. Suter, 744 E. High-st., who died Friday afternoon, following an illness of three years from a complication of diseases, will be held in Mefflin, Pa., to which place the body will be removed Sunday morning.

Besides the husband, she is survived by a son, F. F. Paules, Bowling Green, and a daughter, Mrs. Albert Kelley, Altoona.

"OH, OH, CINDY" IS DECIDED HIT

Clever Portrayal of Characters by Lima Talent.

GOOD CAST, FINE COSTUMES

Will Be Repeated Tonight, at Faurot Theatre.

(By ESTHER WAGNER)

The initial appearance of the musical extravaganza, "Oh, Oh, Cindy," at Faurot Opera House Friday evening was greeted by a large and enthusiastic audience.

St. Martha's Guild, under whose auspices the production was staged, is to be commended for the excellent entertainment afforded therein.

The brilliant cast is composed entirely of local amateurs and their performance in the piece was truly remarkable.

Unusually handsome costumes, clever lines, snappy music and well-staged dance numbers featured the production. The chorus, composed of natty attired young girls and boys, formed a delightfully attractive background for many of the songs and their dancing was one of the features of the entire performance.

BAIRD SCORES HIT

Ernest C. Baird, cast as Mr. O'Hooligan, stage manager of the Follies and later as the Fairy Godmother, scored a decided hit from the very outset.

His interpretation of the Fairy Godmother role was one of the cleverest bits of comedy I have seen in many a day.

Mrs. Harry Fenton, as Lily White, has a professional snap and pep to her characterization that brot forth instant applause whenever she appeared.

Donald Mehafe, as Fran Clark, as Friday and Saturday, respectively, created a number of laughs by their witty sayings and eccentric costumes and together with Lily White, gave hilarious scenes.

The title role was in the hands of Mrs. Pauline Wemmer Gooding, whose lovely voice and personality made her one of the outstanding stars of the play. Her rendition of "You've Been The Light Of My Life" with Judge Emmett Jackson, was perhaps the most beautiful vocal selection of the evening, and was repeatedly encored.

Mrs. Donald Mehafe gave a finished interpretation in the role of Blanch Blondina, Cindy's chum, and her "Love Is Like A Game Of Cards" was delightfully given.

Nesters, Blake Robinson, Edison Lerch and James Buck as The Three Bears, presented unique bits of songs, dancing and repartee, and furnished some of the real laughs of the evening. Their rendition of "Dixie" made a charming specialty number.

A Pierrot and Pierrette dance number, given by Miss Virginia Mosher and James Kelley, too, dancers, was an artistic bit of entertainment, and proved the dancers as quite proficient in their line.

The soloists, Mrs. Edgar Curtis and Miss Berda Ewing, in a series of vocal selections, and Miss Elizabeth Brackbridge, charming little solo dancer of the evening, added considerably to the enjoyment of the performance.

ANNOUNCES NUMBERS

Miss Jane Bentley, as Le Crier, in a clever costume, announced the appearance of each group of dancers in the second act and made a most attractive figure.

Dr. Forster Robinson, as manager of the Follies and later as Santa Claus, and S. William Baker as Robinson Crusoe, presented several delightful solos and were enthusiastically received.

Much credit is due the members of the individual dance numbers, and especially to the chorus of little cannibals. They had a lot to do, and they never wavered.

Undoubtedly the presentation of "Oh, Oh, Cindy" was one of the most successful and thoroughly enjoyable amateur affairs ever given in the city.

and it is expected that its second appearance this evening at the Faurot will see a repetition of the instant success which was scored at the premiere. Every individual member of the cast has entered into the spirit of the thing, and their combined efforts have resulted in the successful revue which "Oh, Oh, Cindy" undoubtedly is.

Mrs. Ralph Leete was general chairman of the event; Mrs. Jack Sweeney, chairman of programs; Mrs. Ernest Baird, chairman of the cast; Mrs. Fred Ash, chairman of publicity; Mrs. Fred Tinker, chairman of groups and Mrs. Clarence A. Bingham, chairman of tickets.

LIMA HAS FEMALE BOOZE SLEUTH

Esther Heffner, Court Clerk, Aids Police in Lucas Raid.

Enter the female booze sleuth. Miss Esther Heffner, clerk of criminal court, takes the title. Her participation in a raid on the J. W. Lucas restaurant, 444 S. Main-st., Friday night, was the first instance in Lima of the fair sex seeking liquor law violators.

"I was terribly disappointed when I didn't find what the officers were searching for," she said. The object of their search was a bit of evidence. Jess Hargrove discovered it in an upstairs room secreted in some old clothes.

Ward Taylor of the squad rushed for the Lucas kitchen and saw a pitcher standing on a table. But in the act of seizing it, Lucas and his wife are alleged to have interfered. A tussle ensued, resulting in a charge of interference with an officer, against the wife.

Lucas was arrested on a charge of possession. The two were to be arraigned in criminal court Saturday.

Miss Heffner was a witness of the exciting moments of the raid and none of the squad was prouder when they returned to the station. She has the ambition to be a real policeman and has been practicing with small arms on the police range outside the station.

AERIAL PARTY ARRIVES

WASHINGTON—The air cruiser Santa Maria brought the first aerial tourist party here from Miami, Fla. Six passengers disembarked at a Potomac landing opposite the capital.

CLASS WILL SEEK CITIZENSHIP

Naturalization Hearing is Set For July 10

South European countries, or the nationalities that are referred to in immigration report filed by Miss Lillian Russell, following her return from Europe, will show a preponderance in the next naturalization class to be examined in common pleas court.

The list of applicants for papers posted Saturday by John T. Cotter, county clerk, shows that Austria, Hungary, Bulgaria and Italy lead north European nations. There are five south Europeans and five residents of north Europe to be examined.

The list will be tested to determine their fitness to be citizens, in common pleas court, July 10.

The applicants are: Tomas Caidi, 128 W. First-st., Austria; Joe rea, 293 E. Third-st., Austria; Frank Schaffer, 1524 S. Main-st., German; Carlo Lazzini, 779 S. Union-st., Austria; Alex Cumbrioff, 402 N. Pine-st., Macedonia; Louis Fox, 320 E. Eureka-st., Hungarian; Umberto Bruno, 631 N. Jackson-st., Italian; T. J. Corbett, 802 Green-lawn-st., Ireland; Otto Heil, 400 S. Janu-st., Germany; Thomas John Jones, Gomer, Wales; Arthur R. Lennan, 805 N. Elizabeth-st., German.

BEAM APPEALS CASE

WAFKONETA—A bill of exceptions has been filed in the case of U. S. Beam of Lima against George Freyer and Clayton South, proprietors of the Favorite restaurant here. Beam begun an action when refused service at the restaurant. A jury in common pleas court returned a verdict of no cause of action. Beam will prosecute error in court of appeals.

DOTSON FINED \$100

Berlie Dotson, 19, of 915 Fairview-av. was fined \$100 in criminal court when he pleaded guilty to possession of liquor. He was taken at McCullough's park April 23, with a bottle of booze in his pocket, police say. He pleaded not guilty when arraigned and trial was set for Friday, but he cut proceedings short by admitting the charge.

Children Cry for Fletcher's Castoria

Why Castoria?

YEARS ago Castor Oil, Paregoric, Drops and Soothing Syrup were the remedies in common use for infants and children; Castor Oil so nauseating as to be almost impossible and the others all containing Opium in one form or another, but so disguised as to make them pleasant to the taste, yet really to stupefy the child and give the appearance of relief from pain.

It required years of research to find a purely vegetable combination that would take the place of these disagreeable, unpleasant and vicious remedies that from habit had become almost universal. This was the inception of, and the reason for, the introduction of Fletcher's Castoria, and for over 30 years it has proven its worth, received the praise of Physicians everywhere and become a household word among mothers.

A remedy ESPECIALLY prepared for infants and children and no mother would think of giving to her baby a remedy that she would use for herself, without consulting a physician.

Genuine Castoria always bears the signature of *Dr. J. C. Fletcher*

Children Cry for Fletcher's Castoria.

INVALID FOR 20 YEARS, MRS. DAVID PRICE DIES

Mrs. Elizabeth Thomas Price, 63, wife of David Price, Gomer, died at her home, Friday evening. She has been an invalid for 20 years.

Surviving besides the husband, is a daughter Margaret, residing at the family home; a son, Thomas E. Price, Gomer; a brother, John E. Thomas, Lima and a sister, Mrs. Margaret Oglesvee, Van Wert.

Funeral services will be held Monday at 1:30 p. m. at the Congregational church, Gomer. Rev. T. J. Jones, pastor, will officiate. Interment in the Gomer cemetery.

SERMON FOR NURSES

All Red Cross nurses are requested to attend the baccalaureate service Sunday at 10:15 a. m. at the Market Street Presbyterian church in honor of the members of the graduating class of the City Hospital Training School for Nurses. All nurses are expected to wear their uniforms.

SUBMITS TO SURGERY

Mrs. A. L. White, 711 W. Market-st., was subjected to an operation for removal of her tonsils at St. Rita's hospital, Saturday. Mrs. White has been suffering from tonsillitis for some months.

SON BORN TO ALTENBACHS

Mr. and Mrs. William Altenbach, S. Main-st., announce the birth of a nine pound son, born Friday evening. Mother and child are both doing nicely.

Mrs. Altenbach before her marriage was Miss Frances Gorman.

As Frank Fletcher says: "We are passing through difficult times -- not hard times, but testing times -- times, which, in one way, are beneficial times, for they are furnishing opportunities for those stores which know how to create custom as well as how to sell customers."

1922 is a year of SELLING!

The store that stays in BUSINESS, that will ride the waves successfully will be the store that does the SELLING. Advertising will play the stellar role in this store's success.

Advertising pays if you don't pay too much for the advertising. The business which succeeds through advertising will watch its SELLING cost.

It will measure its advertising space not by lineage at so many dollars and cents, but by WHO SAW WHAT WAS IN the lineage at so many dollars and cents.

Newspaper advertising is the beacon light of 1922. It will take you through the channels.

We speak not alone for ourselves -- we would rather have the business than to see it go elsewhere -- but if a business is going to BUY ADVERTISING, it should be NEWSPAPER ADVERTISING. If the merchant will analyze WHO will see this newspaper advertising and HOW ABLE is the reader to buy the advertised article or product, then we feel confident that THE LIMA NEWS will be the newspaper.

When compared to even the little Post Card sold by Uncle Sam for a penny, LIMA NEWS advertising space dwindles to mere fractions in cost. Think this over.

The Lima News

AND TIMES-DEMOCRAT

SPORT CORES

As wrote upon the two-spots As would a little child And hence the record markings were What made the scores will.

YESTERDAY'S HERO — Bayne, Brown hurler, held the Tigers hitless until the ninth inning, when two singles brought in a run, the Browns winning 6 to 1. Ty Cobb took himself out in the ninth for a pinch hitter.

Charley Robertson, rookie, who pitched the "perfect game" last week against the Tigers, lasted only six innings against the Indians and the White Sox lost 6 to 3. Stuffy McInnis was banished for the first time in 13 years.

Timely hitting by Devorner and McMillan enabled the Yanks to beat the Athletics 5 to 4. Miller and Dykes hit homers for the Athletics.

Singles in the ninth by Kelleher, Miller and Miller gave the Cubs their lone run off Lefty Cooper, the pirates winning 3 to 1.

Three runs scored in the fourth inning gave the Cards their third in a row off the Reds by a score of 3 to 2.

Danny Frush knocked out Tony Capon in the seventh round of a fight in New York last night.

Jack Britton outpointed "Cowboy" Baggett in ten rounds in Omaha.

Rabe Asher outpointed Frankie Junatti in ten rounds.

Because no one calls him by his right name, Louis Charles Wallach, dentist and former lightweight, Los Angeles, has petitioned the court to change his name to Leach Cross, his own de ring.

Altho Jack Dempsey announced in Paris that he had been signed to meet Georges Carpentier in a return bout, Jack Kearns, his manager, said that he had not entered any agreement.

Ralph Greenleaf, national pocket billiard champion, has virtually clinched his title match with Walter Franklin, Kansas City challenger, in New York. Greenleaf will enter the third and final block to clinch, with advantage of 308 to 38 score.

NEW YORK — Bayne, the St. Louis Browns' pitcher, was absent from the no-hit, no-run hall of fame today, but only because lack of referee to answer his knock at the porch.

For eight innings Bayne held Ty Cobb's Detroit Tigers both hitless and runless. In the final inning, with the laurels almost in his grasp, however, fate dealt him an unkind blow. Two singles, plus a sacrifice fly, not only broke the hitless streak but failed a run. Cobb then hit, Fothergill, who fled.

St. Louis won easily, 6 to 1, and remained tied at the top with the Cardinals, who were lucky to squeeze a 5-4 victory over the Athletics.

Charley Robertson who twirled a perfect game last Sunday proved he isn't always immune from error. Cleveland knocked him from the box in six innings and gave Chicago a 6-3 victory.

The St. Louis Cardinals took their third straight game from Cincinnati by the one run margin.

Right pitching by Southpaw Coopers who fanned seven Cubs helped Pittsburgh a 3-1 decision over Chicago.

LEONARD-TENDLER REPORTED SET FOR JULY 4

BEN MUST FIGHT

(BY HENRY L. FARRELL) NEW YORK — Perhaps it isn't so much because he is a money grabber that Benny Leonard doesn't like Lettie Lewie Tendler.

In doing everything but knocking Johnny Dundee cold in 15 rounds, last night, the Philadelphia south paw showed that he can do more with his fists than pick up forfeits and win decisions on a typewriter.

Leonard has done about a dozen numbers with the bouncing Giuseppe Corrao and he never did man up the Italian the way Tendler did last night.

The Philadelphia graduate of the Newsboys Home didn't knock Dundee out, but in weathering the worst storm he has encountered in his career, the Italian added the last chapter to a record of being "the greatest toughest fighter in the ring."

After seeing the performance of his two "logical opponents," the lightweight champion might be pardoned for thinking up a lot of other things that Tendler has said about him as reasons why he should not fight him.

On his form last night, Tendler has a right to go into court to get a bit with Leonard, charging restraint of trade or some other technical ground. He has every right to demand a chance for the title.

At 335 pounds, the champion would have the time of his young life keeping away from the shower o' clouds that fell on Dundee like a cloudburst from the first round.

He hasn't the endurance or the strength of Dundee to withstand such a terrific body attack and it is no slight on Leonard to say that he hasn't the heart of Dundee, because no fighter in the ring has one like it.

ON CLIMAX TAKE RIGHT On the other hand Tendler could never take Leonard's right on the chin where Dundee landed several. However, it must be recalled that Tendler might have been careless against Dundee, knowing the Italian to have nothing behind his kicks and he might have been leaving an opening to draw Dundee in to him.

Floyd Fitzsimmons says the Leonard-Tendler bout is all set for Michigan City on July 4.

Large fields of entrants in each of the 14 events of the Y. W. C. A. annual track and field meet are in competition today at Faurst park.

Miss Mary Garford, athletic director of the Y. is in charge. Leonard Brown is the starter and Bud Greenland the timer. Miss Muriel Sargent is also an official.

Gold medals will be given the girl who takes first place in the events. A silver medal will go to holder of second place, bronze for third and a fourth will be given to the girl who shows best all-around ability and spirit. Additional prizes of \$2.50, \$1.50 and \$1.00 have been donated.

The events are: 50 and 100-yard dash, 220-yard run, 60-yard hurdles, 90-yard hurdles, running broad jump, running high jump, standing broad jump, hop, step and jump, javelin throw, discus, basketball throw, baseball throw and shot-put.

TOLEDO—Competition in the minor events of the women's National Bowling association tournament was resumed here at 10 a. m., today with Fort Wayne, Indianapolis and Columbus bowlers on the alleys.

The second squad at 12:20 p. m., was made up exclusively of Milwaukee women. Detroit, St. Louis and Cleveland women were on later shifts that were scheduled to continue until nearly 10 o'clock tonight.

Only three teams remain on the five women schedule to be bowled tonight. Two of them are from Indianapolis and the other from Racine, Wis.

ST. JOHNS TENNIS CLUB FORMED Organization of a tennis club, including players of the congregation of St. Johns church, S. Main-st., was perfected Friday night at a meeting in the assembly hall of the school. The club started off with 41 members and will ultimately be increased to 50, the maximum of the membership.

E. J. Fisher was elected president; Arnold Schmelzer, vice-president; and Miss Vera Fisher, secretary-treasurer. A constitution and by-laws were adopted.

Immediate steps will be taken to erect a court on ground north of the church.

The organization will be known as St. Johns Tennis association.

CARP IS FAVORITE PARIS—Georges Carpentier is an overwhelming favorite in the betting as his match with Ted Lewis approaches, odds of four or five to one being offered on the straight result, with no takers. Lewis' backers are desirous of bettering even money that their man stays longer than the Australian. Cook, whom Georges knocked out in the fourth round, but Carpentier's followers are unwilling to take this chance.

NOT YET A VOTER; ALL IN CHAMPION CLASS

WITH boys under 21, some of them considerably so, mopping up athletic records like the quartet shown above, what kind of sports are we going to have within the next few years authorities are beginning to ask, when these youngsters of today have graduated into veterans and are playing, as it is fair to assume they will, in very top form, at their various favorite games?

"Pretty swift," the answer promises to be. Reading from left to right, the four pictured are: Vincent Richards, Johnny Weismuller, Bobby Jones and Bud Houser, none yet old enough to vote, yet each a phenomenon in his particular field of sport.

Richards is a tennis wonder. Bill Tilden, whom he recently defeated at the indoor game, pronounces him the greatest natural volleyer in the world. His first instructor was Frederick Alexander, and Tilden gave him his post-graduate course. He is just over 20.

Weismuller, at the age of 18, has 18 world's swimming records to his credit. Experts declare him the greatest swimmer of all times.

Jones is the Atlanta golfer who has been defeating "the best of them" for several years and has a flock of championships at his belt. He is under 20.

Houser is the 17-year-old California high school boy who, last year, defeated the veteran, Pat McDonald, in a shot putting competition, with a put of 48 feet.

in the game. But when Detroit got Blue and while he was still in the minor leagues all the scouts that looked at him said he would never do for an infield position and that he would make a good fielding outfielder, but would have the drawback of weak hitting. When Blue started playing first base the idea caused much laughter among the wise men of the game who had watched him.

QUESTIONNAIRE By BILLY EVANS The addition of Ed Walsh to the American League staff of umpires has started an argument, as to who is generally considered the greatest spitball pitcher of all time. Please give us your opinion of this point—C. F. H.

Since there are many styles of spitball pitching, I wouldn't care to come out and flatly say that any one pitcher was the best spitballer. However, I feel safe in saying there never was a more effective spitball pitcher than Ed Walsh.

Walsh's control was equally as effective as his spitball. I have worked back of a number of pitchers who could get a more peculiar pitch on the ball than Walsh, but never saw a pitcher who had such unerring control of the moist delivery.

The spitball is most effective when broken low. It always seemed to me that Walsh could throw every pitch he wanted to break a spitball high. As a result the batters were always topping the ball.

Shocker of St. Louis, Faber of Chicago, Coveleskie of Cleveland and a few others could possibly do more with the ball than Walsh, but there never was a more effective spitballer in the history of the game.

Luzerne Atwell Blue of the Detroit Tigers is probably the most spectacular first baseman in the American League. He is one of the best fielders, batsmen and base runners.

Should the youngest brother attain his ambitions, it is said the High family will equal the record of the Delehan family which had four members in professional baseball.

ST. LOUIS—The High family of this city lays claim to having one of the foremost families in baseball. It has three brothers playing in professional baseball leagues.

Hughie High is an outfielder with the Vernon team of the Pacific Coast League, and formerly played with the New York Americans. Andy is an infielder with the Brooklyn National League team. The third brother plays in the outfield for the Portland team of the Pacific Northwest League.

Still another junior brother has ambitions to play baseball as a profession.

Should the youngest brother attain his ambitions, it is said the High family will equal the record of the Delehan family which had four members in professional baseball.

HOME STUDY BUSINESS COURSES

Do you want an important, high salaried position. You can have one if
you can do the work. LaSalle Extension University experts will show you
how. Guide you step by step to success and help solve your personal busi-
ness problems. Our plan enables you to train during spare hours without
interfering with your present duties. Let us prove to you how this step
has helped thousands of ambitious men and women to real success. Our
representative, Mr. Walter C. Smith, is stopping at the Waldo Hotel. Let
him explain our methods, no obligations to you. Don't wait, do it today.
A man without a special training is like a ship on the ocean without a ruder
and never gets anywhere.
